

Explorers and Followers Youth Groups Reports

Each club has twelve children and young people on the registers. They meet once a month on a Tuesday and Friday evening.

The younger group meets in the crypt and the older group at Jean and Ian's house.

In the last year, in addition to the normal club evenings, we have taken them all out Ice Skating, and for Followers we have also done Bowling and gone out for a meal

With Explorers we play games, do craft, drama, treasure hunts and read and act out Bible stories.

Several of the Followers have expressed a wish to be confirmed. A Youth Alpha has been arranged for them in the Autumn before the confirmation service which is late November this year.

Please pray for all our children and young people as they face up to the ever increasing pressures of this world.

Jean and Ian Wayment
